

# Schedule-Fest 2022-2023

# Schedule–Fest 2022–2023

- Teachers are currently working on course recommendations for next school year
- Counselors will be meeting with ALL STUDENTS 1-1 to discuss their 2022-2023 Schedule through English classes.
- MARK YOUR CALENDAR (Click) :
  - February 7th - 10th = 11th grade Cart Talks
  - February 28th - March 4th = 9th grade Cart Talks
  - March 14th - 18th = 10th grade Cart Talks

Be ready to finalize your courses using the Scheduling Worksheet.  
(Teachers should hand these out to you now...)

# What **YOU** need to do... (take a picture of this slide)

1. Scan or type in link for the 2022-2023 Course Guidebook located on Schedule sheet.
2. Have conversations with your teachers about your next class  
Example:  
English 2 → English 3 OR JCTC ENG 101 OR AP English Lang  
Algebra 1 → Geometry or Advanced Geometry
3. Research elective options by using the 2022-2023 Course Guidebook link
4. Have conversations with parents and perhaps fellow students.
5. Research how your electives choices could help you with a career path in your future and become Academic and/or Career Ready!!!  
(See Career Pathways in 2022-2023 Course Guidebook)

# New Courses :

- **Adv Studio Fundamentals** (year 3 - Teacher Rec)
- **Photography** (year 2 - Teacher Rec)
- [Journalism: The Clarion Colonel](#)
- [EDTP 201 & EDTP 215 \(Click\)](#) - The Teaching Profession / Foundations of Instruction
- **CIT 105**–Digital Literacy. This is not new, but did you know it is required for every college major? It is also a Work Ready Kentucky Dual Credit approved course. This means you can take out this very necessary college credit for free, while still in high school, if you are not already using the scholarship.
- **HIS 101 and HIS 102**–for 11th or 12th grade students. Both technical programs and general education programs require a history or Humanities course. This course offered by Ms. Mack, will not only be a college history credit, but also a cultural studies course. It is also transferable to all public college and universities throughout the state and even to some beyond.

# Arvin Center Programs (Career Pathways)

- High School of Business (starts in grades 9th or 10th)

- Any Senior interested in the UPS: School to Work Program (must attend LEAD Interest session on **February 8th during LEAD**. Sign up with Mr. Steedly

# How you should choose your elective courses...

- Elective courses are a way for you to explore your interests before deciding what career you want to pursue.
- You might want to do something in the Healthcare field but after taking Anatomy, you might change your mind or you might fall more in love with that career path.
- You might want to do something with Business, therefore, you might explore the Arvin Center's High School of Business program or take a business course at OCHS.
- You might want to get dual credit courses to get a jump start on your college coursework.
- You might want to take dual credit /AP level coursework because you have Valedictorian as a goal.

**CHOOSE WISELY!**

**BALANCE** your coursework so you aren't overwhelmed or are not challenged!

# Cart Talks...

Be ready with an idea of what you want to take for the 2022-2023 school year.

Bring your Schedule Worksheet with you.

If you have questions, write them down and ask your counselor during your Cart Talk.

## Dates:

- February 7-10 -- 11th Grade Cart Talks through English
- March 1-4 -- 9th Grade Cart Talks through English
- March 14-18 -- 10th Grade Cart Talks through English

\*Ask your English Teacher for Specific Day on which the counselors will visit your class.
